The Honorable Robert A. Brady
Chairman
Committee on House Administration
U.S. House of Representatives
1309 Longworth HOB
Washington, DC 20515

Dear Chairman Brady:

In accordance with the regulations of the Committee on House Administration, I am submitting herewith three copies of the monthly report of the Committee on Science and Technology for ~~May~~ ^{April} 2009, including the following:

- A summary of specific programs and investigations;
- A statement of expenses and fund balance;
- A statement of authorized Committee travel expenses; and
- A listing of Committee employees showing their titles, addresses and gross monthly salaries.

This letter also certifies that copies of this report are available to each Member of the Committee.

Sincerely,

BART GORDON
Chairman

MONTHLY REPORT OF THE COMMITTEE ON SCIENCE AND TECHNOLOGY

Full Committee

April 2009

Hearings, Mark-ups, Meetings

April 1, 2009 Convened a hearing on *Networking and Information Technology Research and Development Act of 2009*.

April 22, 2009 Convened a hearing on *Monitoring, Measurement and Verification of Greenhouse Gas Emissions II: The Role of Federal and Academic Research and Monitoring Programs*

April 29, 2009 Convened a full Committee markup on the following legislation:

H R 2020, Networking and Information Technology Research and Development Act of 2009

H R 1736, International Science and Technology Cooperation Act of 2009

H R 1709, STEM Education Coordination Act of 2009

All three bills were ordered to be reported by voice vote.

Other Activities

April 21, 2009 Report filed on H R 1580, Electronic Waste Research and Development Act, as amended (H Rept 111-75).

Report filed on H R 1145, National Water Research and Development Initiative Act of 2009, as amended (H Rept 111-76).

April 22, 2009 H R 2020, Networking and Information Technology Research and Development Act of 2009, introduced by Chairman Gordon.

H R 1580, Electronic Device Recycling Research and Development Act, passed by voice vote under suspension of the rules.

H R 957, Green Energy Education Act of 2009, considered under suspension of the rules and passed 411-6 (Roll no. 199).

April 23, 2009 H R 1145, National Water Research and Development Initiative Act of 2009, passed 413-10 (Roll no. 205).

April 29, 2009 Executive Communication 1537 Received: A letter from the Chair, Christopher Columbus Fellowship Foundation, transmitting the Foundation's annual report for fiscal year 2008, pursuant to Public Law 102-281, section 429(b).

April 30, 2009 H Res 387, A resolution supporting the goals and ideals of National Hurricane Preparedness Week, introduced by Mr. M. Diaz-Balart (R-FL).

Subcommittee on Energy and Environment April 2009

Hearings, Mark-ups, Meetings

April 22, 2009 Staffed a full committee hearing on *Monitoring, Measurement and Verification of Greenhouse Gas Emissions II: The Role of Federal and Academic Research and Monitoring Programs*.

April 23, 2009 Convened a hearing on *Continued Oversight of NOAA's Geostationary Weather Satellite System*.

April 28, 2009 Convened a hearing on *Pushing the Efficiency Envelope: R&D for High-Performance Buildings, Industries and Consumers*.

Other Activities

Meetings and briefings were held with various groups and individuals on subjects of interest to and within the jurisdiction of the Subcommittee:

- Met with representatives from Schweitzer Engineering Laboratories and Edison Electric Institute regarding electric grid security.
- Met with representatives from the Electric Rural Co-ops regarding climate legislation.
- Met with representatives from Cardinal Point, the New England Clean Energy Council and Goodwin Procter regarding technology development.
- Met with representatives from Draper Laboratory regarding modernization of electric grid.
- Met with representatives from Carnegie Mellon University regarding hybrids.
- Met with representatives from Idaho Lab, Dow, General Atomics and Entergy regarding next generation nuclear plants.
- Met with representatives from Capstone Turbine Corp and ML Strategies regarding advanced turbine technology.
- Met with representatives from Case Western Reserve University regarding advanced energy technologies.
- Met with representatives from Zolo Technologies Brownstein, Hyatt Farber, and Schreck regarding efficient coal plant technology.
- Met with representatives from the Association of Public & Land-Grant Universities, the National Council for Science and the Environment and the University of Toledo to discuss the formation of a Council of Energy Research and Education Leaders (CEREL) to coordinate support for energy research and education activities at universities
- Met with representatives from the North American Electric Reliability Council regarding electric grid security.

- Met with representatives from the International Energy Agency regarding carbon capture and sequestration.
- Met with representatives from George Washington University and the New Energy Movement to discuss the veracity of their work in low energy nuclear reactions.
- Met with representatives from the National Renewable Energy Laboratory (NREL) and Battelle to discuss the impact of the stimulus on research activities at NREL.
- Met with representatives from the Health Physics Society to discuss the Department of Energy's support for medical isotope production and radiation safety education.
- Met with representatives from Princeton University, General Atomics, and ten directors of U.S. fusion research programs to discuss potential authorization for various fusion research activities.
- Met with representatives from Princeton University to discuss the effectiveness of potential nuclear reprocessing activities.
- Met with representatives from the Washington State Department of Community, Trade and Economic Development (CTED) to discuss the forest biomass briefing and stakeholder understanding of the carbon legislation.
- Met with representatives from PetroTex Hydrocarbons, LLC to discuss their re-refining technology for motor oil and if this was a technology that could fit into a carbon bill.
- Met with representatives from Enerkem and Van Ness Feldman to discuss Enerkem's technology to produce renewable fuels from waste materials.
- Met with representatives from the German Oko-Institute and Hunt Green Energy LLC to discuss the EU Commission's position on biofuels sustainability standards and indirect land use.
- Met with representatives from AECOM, the Harris Firm, and the National Institute of Building Sciences (NIBS) to discuss the energy efficiency hearing on buildings and their concerns about high-performance building codes and standards.
- Met with representatives from the Department of Energy (DOE) to discuss the Department's tools to calculate indirect land use and the Environmental Protection Agency's proposed rule on the renewable fuel standard.
- Met with representatives from the National Academies to discuss potential solar manufacturing R&D activities.
- Met with representatives from the Los Alamos National Laboratory and Lewis-Burke Associates to discuss direction and support for advanced scientific computing activities at the DOE Office of Science, and related priorities of the Society for Industrial and Applied Mathematics.
- Met with representatives from the University of Tennessee at Knoxville and the University of Maryland, representing the Stanford Linear Accelerator Center Users Organization, to discuss support for high energy physics research activities at the DOE Office of Science.
- Met with representatives from Lawrence Berkeley National Laboratory (LBL) to discuss ARPA-E, LBL's energy research plans, and recommendations to improve DOE laboratory management.
- Met with representatives from Oak Ridge National Laboratory (ORNL) and Battelle to discuss solar and battery research activities in Tennessee and reauthorization of the DOE Office of Science.

- Met with representatives from Sapphire Energy to discuss their algae feedstock production model and how they can help produce drop-in fuels.

Subcommittee on Investigations and Oversight April 2009

Hearings, Mark-ups, Meetings

April 23, 2009 Staffed an Energy and Environment Subcommittee hearing on *Continued Oversight of NOAA's Geostationary Weather Satellite System*.

April 30, 2009 Convened a hearing on the *Role of Science in Regulatory Reform*.

Other Activities

Meetings and briefings were held with various groups and individuals on subjects of interest to and within the jurisdiction of the Subcommittee:

- Held a meeting with Science, Technology, Engineering and Mathematics (STEM) training expert
- Held interviews of prospective witnesses for 4/30 hearing
- Held a meeting with Government Accountability Office (GAO) expert on conflicts of interest
- Held conference call with experts on regional tech development
- Met with the National Oceanic and Atmospheric Administration (NOAA) and GAO to prepare for GOES-R hearing
- Attended Woods Hole Oceanographic Institute briefing on hybrid remotely operated vehicle
- Met with a representative of Recovery Accountability and Transparency Board to discuss Recovery Act oversight
- Received American Geophysical Union briefing on National Aeronautics and Space Administration (NASA) Active Sensing of CO₂ Emissions over Nights, Days, and Seasons (ASCENDS) instrument technology development
- Held several meetings with ITT Corporation, the National Aeronautics and Space Administration (NASA), and Honeywell Corporation regarding NASA contracting
- Held interviews with representatives of OMB Watch, National Resources Defense Council (NRDC), Center for Progressive Reform, Center for Americans Progress and lawyers in academe and private practice regarding regulatory reform
- Held a meeting with Recovery Accountability and Transparency Board staff
- Held an interview with Government Accountability Office (GAO) regarding American Recovery and Reinvestment Act compliance
- Held a meeting with GAO regarding organizational conflict of interest
- Held a meeting with NASA's Office of the Inspector General staff
- Held a meeting with Congressional Research Service (CRS) attorneys regarding Organizational Conflict of Interest

Subcommittee on Research and Science Education

April 2009

Hearings, Mark-ups, Meetings

April 1, 2009 Staffed a full committee hearing on *Networking and Information Technology Research and Development Act of 2009* (NITRD).

April 29, 2009 Staffed a full committee markup of H R 1736, International Science and Technology Cooperation Act of 2009; H R 1709, STEM Education Coordination Act of 2009; and H R 2020, Networking and Information Technology Research and Development Act of 2009.

Other Activities

Meetings and briefings were held with various groups and individuals on subjects of interest to and within the jurisdiction of the Subcommittee:

- Met with representatives from the USGS Earthquake Advisory Committee regarding National Earthquake Hazard Reduction Program (NEHRP).
- Met with the Society for Industrial and Applied Mathematics to discuss NSF and H R 2020.
- Met with scientists from the American Geophysical Union about NSF and NOAA; they were participating in the annual Science-Engineering-Technology Congressional Fly-in.
- Attended American Youth Policy Forum briefing, "Laying the Groundwork for a College Going Culture, Redefining College Readiness: Efforts from Leading States."
- Attend policy briefing, "Science Professionals: Master's Education for a Competitive World." Briefing hosted by National Research Council's Higher Education and Workforce study committee.
- Attended briefing on the report of McKinsey & Company, "The Economic Impact of The Achievement Gap in America's Schools." Keynote speaker: Secretary, US Department of Education.
- Attended National Council for Teachers of Mathematics Annual Meeting and Research session.
- Attended University of Oregon President's reception.
- Teleconference with Semiconductor Research Corporation about the NITRD legislation.
- Teleconference with Department of Homeland Security about DHS's education efforts in cybersecurity and their interaction with NSF.
- Spoke at event for the Biological Ecological Sciences Coalition and the Coalition on Funding Agricultural Research Missions (Co-FARM) representing the Committee's work and our interaction with the scientific community.
- Attended Council of Graduate Schools forum in which they released a report on Broadening Participation.
- Met with Princeton University, Graduate School Dean.
- Attended Woods Hole Oceanographic Institution briefing on new hybrid remotely operated vehicle, which was funded in large part by NSF.

- Attended Georgetown University's Center for Public & Nonprofit Leadership and Center for Social Justice, Research, Teaching & Service "Creating 21st Century Schools: Public Education Reform; The Role of Philanthropy in Shaping Public Policy"
- Attended meeting with DHS officials regarding cybersecurity initiatives.
- Attended the Capitol Hill Washington Symposium and SENCER (Science Education for New Civic Engagements and Responsibilities) poster session hosted by the National Center for Science and Civic Engagement, a research center affiliated with Harrisburg University of Science and Technology.
- Met with representatives of the U.S.-Israel Science and Technology Foundation to discuss international S&T cooperation legislation and the related activities of the foundation.
- Met with staff of the Office of Science and Technology Policy and the National Economic Council to discuss the Administration's plans on the topic of access to scientific digital data and peer-reviewed literature.
- Participated in a legislative affairs panel before the American Meteorological Society's 2009 Public-Private Partnership Forum to discuss the S&T Committee's plans and priorities for this Congress.
- Met with the Director of Federal Affairs for Washington University in St. Louis, to discuss general issues of concern to his university and the research universities broadly with respect to science funding.
- Met with representatives of the Health Physics Society to discuss their priorities for university research and education
- Met with staff at OSTP to discuss the role of OSTP in some of the Committee's interagency coordination bills.
- Spoke to the President of Focus Nanotechnology Africa Inc, regarding his efforts to create a program for Africa, Caribbean, U.S. cooperation in nanotechnology.
- Spoke to the American Society of Mechanical Engineers Intersector Committee on Federal R&D regarding the S&T Committee's plans and priorities for this Congress.
- Met with the VP and Director of Science Education Programs for Oak Ridge Associated Universities (ORAU), regarding ORAU's role in K-12 science education and also regarding the newly released report from the Council of Graduate Schools on broadening participation in graduate STEM education.
- Met with representatives of the National Governor's Association and the STEM Education Coalition to discuss STEM education coordination.
- Met with the the Council of Energy Research and Education Leaders (CEREL) to discuss the role of universities in energy research and education.
- Met with a representative from CESaME, the Cal Poly Center for Excellence in Science and Mathematics Education

Subcommittee on Space and Aeronautics April 2009

Hearings, Mark-ups, Meetings

April 28, 2009 Convened a hearing on *Keeping the Space Environment Safe for Civil and Commercial Users*.

Other Activities

Meetings and briefings were held with various groups and individuals on subjects of interest to and within the jurisdiction of the Subcommittee:

- Met with National Academies panel on Near Earth Object mitigation
- Met with GAO re NASA IT security study
- Met with Korean space agency officials
- Met with National Academies staff on solar system exploration decadal survey
- Met with German Space Agency representatives re their agency's initiatives
- Attended breakfast seminar on Acquisition Reform sponsored by Government Executive
- Met with GAO on Constellation program issues
- Met with an AIAA official re aerospace issues
- Attended GWU Space Policy Institute dinner meeting
- Attended a meeting with GAO on GOES-R
- Attended a National Research Council Committee meeting on Earth Studies
- Met with NASA officials on Exploration Systems budget
- Met with officials from NASA's Aerospace Safety Advisory Panel
- Met with UK parliamentarians to discuss Committee activities
- Met with group from Space Florida and California Space Alliance to discuss space issues
- Met with U. of Arizona and AAU representatives to discuss NASA issues
- Met with Lockheed Martin representatives to get status briefing on Orion contract realignment

Subcommittee on Technology and Innovation April 2009

Hearings, Mark-ups, Meetings

April 23, 2009 Convened a hearing on *The Role of the SBIR and STTR Programs in Stimulating Innovation at Small High-Tech Business*.

Other Activities

Meetings and briefings were held with various groups and individuals on subjects of interest to and within the jurisdiction of the Subcommittee:

- Spoke with the head of government relations for the National League of Cities about H R 1499, the Firefighter Fatality Reduction Act

- Met with a representative from the Institute of Business and Home Safety about hazards mitigation research programs
- Spoke with the director of government relations at the National Fire Protection Association about H R 1499, the Firefighter Fatality Reduction Act
- Spoke with a Georgetown University student about the H R 1580, the Electronic Waste Research and Development Act, and e-waste recycling on college campuses
- Met with representatives of ARA Safety about the Assistance to Firefighters Grant (FIRE Grants) program and new firefighting technologies
- Met with the president of the International Association of Fire Chiefs
- Spoke with the Department of Transportation (DOT) Inspector General's (IG) Office, Seattle
- Spoke with the head of James E. Beavers Consultants about the National Earthquake Hazards Reduction Program
- Met with representatives of the Ready Mix Concrete Association about research needs related to concrete pavement
- Spoke with Congressman Hastings' office about Mr. Hastings' hurricane research initiative bill
- Attended a Symantec briefing on cyber security
- Held a meeting with the Department of Homeland Security on government cyber security
- Had a teleconference with DOT IG Office to discuss surface transportation research
- Talked to Congresswoman Debbie Halvorson's office about the Science and Technology Committee's upcoming bills
- Spoke with the Executive Director of the Earthquake Engineering Research Institute, about the National Earthquake Hazards Reduction Program (NEHRP) reauthorization
- Spoke with a Senior Principal at Simpson Gumpertz & Hertz about the NEHRP reauthorization
- Spoke with a representative from the Oregon Dept of Geology and Mineral Industries about the NEHRP reauthorization
- Spoke with the head of Laurie Johnson consulting about social science and policy issues related to the NEHRP reauthorization
- Spoke with the Chairman of the Advisory Committee on Earthquake Hazards Reduction Program about the NEHRP reauthorization
- Spoke to a Thomas R. Briggs Professor of Engineering at Cornell University about NEHRP reauthorization
- Meet with a representative from the Business Software Alliance to discuss cyber security issues
- Attended a CRS Program entitled *Reconsidering Federal Disaster Policies and Actions: Coordination Perspectives*
- Spoke with a representative from the Applied Technology Council about NEHRP and other needs in hazard mitigation R&D
- Spoke with a representative from the International Association of Fire Fighters about changes to the Staffing for Adequate Fire and Emergency Response (SAFER) program
- Spoke with DHS leg affairs about changes to the SAFER program
- Spoke with a House Appropriations staffer about changes to the SAFER program

- Spoke with a Texas Tech University Professor about priority needs in the wind research field
- Met with Rep. Alcee Hastings' office about Mr. Hastings' hurricane research initiative bill
- Met with Senator Tom Udall's office and the Senate Commerce Committee about the Electronic Device Recycling Research and Development Act
- Spoke with the National Institute of Standards and Technology director of the NEHRP program about NEHRP reauthorization
- Held a teleconference with the Department of Homeland Security on cyber security issues
- Held a teleconference with the Center for Strategic and International Studies on cyber security issues
- Met with the Department of Transportation on transportation bill issues
- Held a teleconference with TechAmerica on cyber security issues
- Talked to a professor from Georgia Institute of Technology about the NEHRP reauthorization
- Met with the senior science advisor at USGS about NEHRP reauthorization
- Staffed Chairman Gordon on the floor for H R 1580
- Met with the Vice-President of Earthquake Risk Applications at Risk Management Solutions, a Principal Geologist at URS Corporation, and representatives from UNAVCO about NEHRP reauthorization
- Talked to a representative from USGS about the Great Southern California Shakeout
- Met with representatives from the Congressional Fire Services Institute, the International Association of Fire Chiefs, the International Association of Arson Investigators, the National Volunteer Fire Council, and the International Association of Fire Fighters about the Assistance to Firefighter Grants
- Met with a representative from the National Academy of Engineering to discuss innovation in the solar energy industry
