

U.S. HOUSE OF REPRESENTATIVES
COMMITTEE ON SCIENCE AND TECHNOLOGY

SUITE 2320 RAYBURN HOUSE OFFICE BUILDING
WASHINGTON, DC 20515-6301

(202) 225-6375
TTY: (202) 226-4410
<http://science.house.gov>

COMMITTEE
HOUSE ADMINISTRATION
2009 JUN 18 AM 11:36

June 17, 2009

The Honorable Robert A. Brady
Chairman
Committee on House Administration
U.S. House of Representatives
1309 Longworth HOB
Washington, DC 20515

Dear Chairman Brady:

In accordance with the regulations of the Committee on House Administration, I am submitting herewith three copies of the monthly report of the Committee on Science and Technology for May 2009, including the following:

- A summary of specific programs and investigations;
- A statement of expenses and fund balance;
- A statement of authorized Committee travel expenses; and
- A listing of Committee employees showing their titles, addresses and gross monthly salaries.

This letter also certifies that copies of this report are available to each Member of the Committee.

Sincerely,

BART GORDON
Chairman

BG/lab

MONTHLY REPORT OF THE COMMITTEE ON SCIENCE AND TECHNOLOGY

Full Committee May 2009

Hearings, Mark-ups, Meetings

May 14, 2009 Convened a hearing on *An Overview of the Federal R&D Budget for FY 2010*.

May 19, 2009 Convened a hearing on *NASA's Fiscal Year 2010 Budget Request*.

Other Activities

May 12, 2009 Report filed on H.R. 2020, Networking and Information Technology Research and Development Act of 2009, as amended. (Rept. 111-102)

H. R. 2020 considered under suspension of the rules and agreed to by voice vote.

H. Res. 413, Supporting the goals and ideals of "IEEE Engineering the Future" Day on May 13, 2009, and for other purposes, considered under suspension of the rules and agreed to by roll call vote, 409-0. (Roll no. 244)

H. Res. 387, Supporting the goals and ideals of National Hurricane Preparedness Week, considered under suspension of the rules and agreed to by voice vote.

Executive Communication 1772 received: A letter from the Chair, NASA Aerospace Safety Advisory Panel, transmitting the panel's Annual Report for 2008, pursuant to Public Law 109-155, section 106(b).

Executive Communication 1773 received: A letter from Acting Administrator, National Aeronautics and Space Administration, transmitting a determination that Agency real estate holding located at the Santa Susana Field Laboratory (SSFL) in Ventura county, California, are no longer needed for mission requirements, pursuant to 42 U.S.C. 2476a, section 207.

May 14, 2009 H.R. 2407, National Climate Service Act of 2009, introduced by Chairman Gordon.

May 19, 2009 H.R. 915, FAA Reauthorization Act of 2009, discharged from further consideration.

May 21, 2009 H.R. 2569, A bill to reauthorize surface transportation research, development, and technology transfer activities, and for other purposes, introduced by Mr. Wu.

Report filed on H.R. 1736, International Science and Technology Cooperation Act of 2009, as amended. (Rept. 111-128)

Subcommittee on Energy and Environment May 2009

Hearings, Mark-ups, Meetings

May 5, 2009 Convened a subcommittee hearing on *Expanding Climate Services at the National Oceanic and Atmospheric Administration (NOAA): Developing the National Climate Service*.

May 13, 2009 Convened subcommittee markup on H.R. 2407, National Climate Service Act of 2009. Forwarded to full committee as amended.

Other Activities

Meetings and briefings were held with various groups and individuals on subjects of interest to and within the jurisdiction of the Subcommittee:

- Participated in a High Energy Physics Advisory Panel meeting on the status and direction of high energy physics research conducted by the Department of Energy (DOE) and the National Science Foundation (NSF).
- Met with representatives from King & Spalding, Pearl Street, and Haddington Ventures, LLC to discuss support for bulk energy storage systems
- Met with a representative from the Council on Foreign Relations to discuss nuclear waste reprocessing policy and research directions
- Met with representatives from the American Society for Mechanical Engineers (ASME), the Center for Sustainable Ecosystem Nanotechnologies, Battelle-Korea, Michigan Tech University, West Virginia University, and the University of Minnesota regarding technology strategy for climate change.
- Met with the Electric Power Research Institute (EPRI) regarding the smart grid interoperability standards process
- Met with representatives from the University of Minnesota and the National Academy of Sciences to discuss the new National Academies report "Liquid Transportation Fuels from Coal and Biomass."
- Met with representatives from the University of California-Davis to discuss several building energy efficiency technologies
- Met with the National Ready Mixed Concrete Association to discuss the incorporation of an LCA study in the energy efficiency bill
- Met with representatives from Cascade Associates to discuss the Building America Program and how to include it in the energy efficiency bill
- Met with a representative from the Environmental and Energy Study Institute to discuss topics for biopower, biobased products and indirect land use
- Met with DOE staff to discuss biomass, geothermal, building technologies and marine/hydro kinetics
- Met with a representative from the American Petroleum Institute to discuss the ethanol blend wall issue and different legislative options to address it

- Met with a representative from the U.S. Department of Agriculture (USDA) at the DOE Feedstock Peer Review to discuss biomass research and development and 1000 new anaerobic digesters that the National Rural Electric Cooperatives Association are planning to build
- Met with representatives from Weyerhaeuser, Chevron and Catchlight Energy to discuss the joint venture, the forest panel discussion for Rep. Baird and problems with the definition of biomass
- Met with the National Rural Electric Cooperative Association and Hunton & Williams regarding carbon capture and sequestration liability
- Met with Skyonic Corporation regarding an advanced carbon management technology
- Met with the Environmental Protection Agency (EPA) to discuss current oil spill research and development in preparation for an upcoming related hearing and legislation
- Met with the National Oceanic and Atmospheric Administration (NOAA) to discuss current oil spill research and development in preparation for an upcoming related hearing and legislation
- Met with the U.S. Coast Guard to discuss current oil spill research and development in preparation for an upcoming related hearing and legislation
- Met with DOE to discuss the Office of Science's Nuclear Physics (NP) program, with a focus on the transition of the medical isotopes program from the Office of Nuclear Energy to NP
- Participated in and provided a talk for a joint workshop on advanced computing for nuclear energy hosted by DOE's Advanced Scientific Computing Research program and DOE's Office of Nuclear Energy
- Met with a representative of Sky WindPower Corporation to discuss the current status of high altitude wind energy technology
- Met with the Chief Financial Officer and staff from DOE to discuss the status of ARPA-E
- Met with Committee members and the director of the new Argonne National Laboratory Director discuss his outlook on energy research activities and DOE management issues
- Met with the Committee chairman and the new CEO of the American Wind Energy Association to discuss support for renewable energy
- Held a briefing on National Ecological Observatory Network (NEON) to discuss observing and forecasting ecological change at continental scales
- Met with representatives of the Bay Area Rapid Transit system about transit electrification demonstration project
- Met with representatives of the UC-Berkeley Center for Information Technology Research in the Interest of Society (CITRIS) program, Akeena Solar and LiveFuels Inc.
- Met with the Alliance to Save Energy on outstanding research and development issues
- Met with representatives of Topspin Partners to discuss battery technologies
- Met with a representative of Michigan Technological University to discuss vehicle research and development
- Met with representatives of American Gas Association on Natural Gas end-use research and development legislation
- Met with representatives of Caterpillar, Inc. on hybrid construction equipment technologies
- Met with representatives of UC-Irvine on an Energy Efficiency Center project and needed research and development efforts
- Met with representatives of Fluidic Energy Company
- Met with the Association of Metropolitan Water Agencies to discuss the National Climate Service legislation

- Met with the National Center for Atmospheric Research to discuss the National Climate Service legislation

Subcommittee on Investigations and Oversight May 2009

Hearings, Mark-ups, Meetings

May 5, 2009 Convened a subcommittee hearing on *Follow the Money Part II: Government and Public Resources for Recovery Act Oversight*.

May 19, 2009 Convened a subcommittee hearing on *The Science of Insolvency*.

Other Activities

Meetings and briefings were held with various groups and individuals on subjects of interest to and within the jurisdiction of the Subcommittee:

- Met with the Chief Technology officer of Onvia Corporation to discuss procurement tracking
- Met with representatives of Lockheed Martin to discuss the Geostationary Operational Environmental Satellite-R Series (GOES-R)
- Staff were briefed by the Government Accountability Office (GAO) on radiation portal monitors
- Staff were briefed by the National Academy of Sciences on data mining issues
- Held interviews on a Washington, D.C. and Center for Disease Control (CDC) 2003-2004 lead contamination issue
- Reviewed documents on the D.C. area and CDC lead contamination issue
- Held a discussion of the consequences of offshore production for U.S. competitiveness with academic experts
- Held interviews of perspective witnesses for the May 19, 2009, Subcommittee hearing, *The Science of Insolvency*
- Met with an expert at the Congressional Research Service (CRS) to discuss asset valuation
- Held a discussion with the head of the Clean Air Scientific Advisory Committee to discuss regulatory reform
- Met with staff of the Office of Science and Technology Policy (OSTP)
- Met with the new Inspector General for the National Science Foundation (NSF)
- Interviewed staff of a National Aeronautics and Space Administration (NASA) contractor regarding a contract award
- Met with administrators of the CDC regarding the Agency for Toxic Substances and Disease Registry (ATSDR)
- Met with the new administrator of the National Oceanic and Atmospheric Association (NOAA)
- Made a presentation to the Association of Public and Land-Grant Universities about the American Recovery and Reinvestment Act (ARRA)
- Met with GAO and NRA regarding datamining
- Met with representatives of communities living near high-level bio-lab facilities

- Interviewed experts and potential witnesses to prepare for two Subcommittee hearings
- Sent a document request letter to NASA concerning a protested contract award involving systems engineering and technical development contractors
- Met with Veterans Affairs (VA) Committee staff and VA officials concerning retaliation against an employee at the Pittsburgh VA; the meeting resulted in successful resolution of the incident
- Met with Energy and Commerce Committee staff and Studsvik AB regarding low-level radioactive waste downblending and processing systems

Subcommittee on Research and Science Education

May 2009

Hearings, Mark-ups, Meetings

May 14, 2009 Staffed a full committee hearing on *An Overview of the Federal R&D Budget for FY 2010*.

Other Activities

May 12, 2009 Staffed Chairman Gordon for floor consideration of H.R. 2020, the Networking Information Technology Research and Development Act of 2009.

Meetings and briefings were held with various groups and individuals on subjects of interest to and within the jurisdiction of the Subcommittee:

- Staffed Chairman for meeting with Office of Science and Technology Policy (OSTP) Director.
- Attended OSTP's fiscal year 2010 federal research and development budget briefing.
- Met with the Executive Director of LIGO Laboratory, an NSF-funded major research facility for the detection of gravitational waves. Staff was provided with an update on the status of Advanced LIGO, a current NSF Major Research Equipment and Facilities Construction (MREFC) project to upgrade the sensitivity of the LIGO detector.
- Addressed a group of Georgia Institute of Technology science and engineering faculty and students about the function and agenda of the S&T Committee.
- Met with Chief Scientist for the Computer Science and Telecommunication Board at the National Academies to discuss the Board's recent reports on cyber security research needs.
- Attended briefing by the Center for American Progress, "Stimulating Excellence: Unleashing the Power of Innovation in Education."
- Attend briefing, "Bridging Innovative Computing Curriculum Across the Digital Divide."
- Attended briefing on computer science curriculum hosted by the Association of Computing Machinery.
- Staffed Chairman in meeting with Canada's Minister of Industry Tony Clement
- Met with UC Irvine federal relations staff to learn about highlights of UCI research programs.
- Participant in "Roundtable Education Discussion with the Albert Einstein Distinguished Educator Fellows" at the Woodrow Wilson Center, Program of Science, Technology, America, and the Global Economy & the Global Energy Initiative.

- Served as panel member in a Woodrow Wilson Center briefing on the Hill, "America's Best Teachers Take Uncle Sam to School." Sponsored by the Program of Science, Technology, America, and the Global Economy & the Global Energy Initiative.
- Attended briefing, "Learning Science in Informal Science Environments," sponsored by the National Science Teachers Association, The Association of Science Technology Centers, and ten museums and science centers nationwide.
- Held conference calls with the Business Software Alliance, Symantec, Oracle, Cisco, CA, Inc., and TechAmerica about cybersecurity R&D.
- Attended Cyberspace Policy Review briefing by the Administration's official leading review team.
- Met with the Counselor for Science at the Norwegian Embassy, and visiting Norwegian government science officials to discuss opportunities for U.S. – Norway cooperation on energy and other topics.
- Met with Senior Counselor at the Embassy of Italy, to discuss the pending meeting between Chairman Gordon and the Italian Deputy Minister for Science about opportunities for U.S.-Italy science cooperation.
- Briefed by officials of the Defense Advanced Research Projects Agency (DARPA), including the Acting Director, regarding DARPA's unclassified cybersecurity research and development activities.
- Met with the President of the Museum of Science- Boston to learn of their latest STEM education initiatives.

Subcommittee on Space and Aeronautics May 2009

Hearings, Mark-ups, Meetings

May 19, 2009 Staffed a full committee hearing on *NASA's Fiscal Year 2010 Budget Request*.

Other Activities

Meetings and briefings were held with various groups and individuals on subjects of interest to and within the jurisdiction of the Subcommittee:

- Met with NASA Directorate personnel to discuss NASA's FY 10 Budget request
- Met with representative of MOOG to discuss NASA-related issues
- Met with representatives of Cellular Bioengineering, Inc. re applications of their technologies to aerospace applications
- Met with members of National Academies Microgravity Decadal Survey panel to discuss Congress' interest in the Survey
- Briefing on National Research Council report, Radioisotope Power Systems
- Met with Space Transportation Association members re NASA and commercial space issues
- Attended Space Transportation Association breakfast featuring speech by Rep. Olson
- Attended NASA FY 10 budget hearing
- Attended Joint Planning and Development Office All hands meeting

- Attended semi-annual meeting of the FAA's Commercial Space Transportation Advisory Committee
- Met with Joint Planning and Development Office /FAA on NextGen status

Subcommittee on Technology and Innovation May 2009

Hearings, Mark-ups, Meetings

Other Activities

Meetings and briefings were held with various groups and individuals on subjects of interest to and within the jurisdiction of the Subcommittee:

- Spoke with the Texas Department of Transportation (DOT) about transportation issues
- Talked with Booz Allen Hamilton on cyber security issues
- Met with a representative from the United States Pharmacopeia (USP) to discuss the possible role USP might be able to contribute to the Committee in the future
- Talked to a representative who worked on the Great California Shakeout about the Shakeout and the National Earthquake Hazards Reduction Program (NEHRP) reauthorization
- Met with the National Institute of Standards and Technology (NIST) about the Chemical Science and Technology Laboratory programs
- Attended a NIST budget briefing
- Met with the Director of the Building and Fire Research Laboratory (BFRL) at NIST about NEHRP reauthorization
- Met with the Acting Director at the NIST Program Office about NIST activities with Homeland Security
- Met with the Director of the Office of Law Enforcement Standards at NIST about NIST's law enforcement standards
- Met with a representative from the DOT to discuss the Transportation Bill Draft
- Met with the Scientific Director at the New York Academy of Sciences (NYAS), regarding a program they presented in 2006 with the Food and Drug Administration (FDA), NIST, and academia on the potential for a pathway for follow on biologics (FOBs)
- Attended a program NYAS put on for swine flu to observe the quality and types of programs presented by NYAS
- Met with the President and Chief Executive Officer of NYAS to talk about various issues
- Spoke with a representative from DE Shaw Research about whether the methods and tools developed by DE Shaw Research may be used as part of an effort in developing a pathway for FOBs
- Spoke with a representative from Arnold & Porter, LLP and a non-executive director of the National Institute for Biological Standards and Control about European model for biosimilars and referrals for experts on the European Union system
- Attended briefing entitled *A Low Cost Solution To Global Warming: Protecting Tropical Forests While Promoting US Interests*
- Spoke with a representative from Sun Microsystems to discuss the upcoming cyber security hearing

- Spoke to a representative from the Internet Security Alliance to discuss the upcoming cyber security hearing
- Spoke to a representative from the US Coast Guard to discuss US Coast Guard cyber security efforts
- Spoke with a representative from the Software and Information Industry Alliance to discuss the upcoming cyber security hearing
- Spoke with a representative from the New York State Office of Cyber Security and Critical Infrastructure to discuss the upcoming cyber security hearing
- Met with a representative from the Transportation Research Board (TRB) to discuss reauthorization of the surface transportation research programs
- Spoke with representative from the National Weather Service Nashville Office about tornado prediction and the field briefing
- Spoke with a representative from the National Oceanic and Atmospheric Administration (NOAA) National Severe Weather Laboratory about tornado prediction R&D
- Met with the director of ITS-America about reauthorization of the surface transportation research programs
- Met with the director of the American Association of State Highway and Transportation Officials (AASHTO) to discuss reauthorization of the surface transportation research programs
- Spoke to a representative from Symantec to discuss the upcoming cyber security hearing
- Met with a representative from the Department of Homeland Security (DHS) to discuss DHS Domestic Nuclear Detection Office Budget
- Met with a representative from DHS to discuss the DHS Science and Technology Budget Brief
- Met with a representative from DHS to discuss DHS cyber security efforts
- Spoke with a representative from Oracle to discuss the upcoming cyber security hearing
- Spoke with a representative from the Software and Information Industry Alliance to discuss the upcoming cyber security hearing
- Spoke with a representative from Sun Microsystems to discuss the upcoming cyber security hearing
- Met with representatives from the DOT Research and Innovative Technology Administration (RITA) to discuss reauthorization of the surface transportation research program
- Spoke with a representative from CISCO Systems to discuss the upcoming cyber security hearing
- Spoke with a representative from the Business Software Alliance to discuss the upcoming cyber security hearing
- Spoke with the Government Accountability Office (GAO) to discuss the upcoming cyber security hearing
- Met with a representative from the National Association of Counties to discuss the DOT's Local Technical Assistance Program
- Met with representatives from Tyco International and Oshkosh Corporation about reauthorization of the fire grants program
- Met with a representative from Thurman Gould about ARA Safety's "fire interruption technology" and reauthorization of the fire grants program
- Met with a representative from the National Ready Mix Concrete Association about lifecycle analysis needs for concrete pavement
- Spoke with a representative from Travelers about hazards-related building issues and the insurance industry
- Spoke with a representative from the Weather Channel about tornados

- Met with representatives of the International Association of Fire Fighters, the International Association of Fire Chiefs, the National Volunteer Fire Council, and the Congressional Fire Service Institute about the reauthorization of the FIRE grants
- Spoke with a representative from Government Affairs for ITS-America about the ITS-America conference Congressional Discussion Session
- Spoke with a representative from federal relations of the Travelers Companies, Inc. about hazard mitigation and NEHRP
- Spoke with a representative from Pacific Gas & Electric about earthquake engineering research needs
- Met with the director of the National Association of County Engineers about the DOT Local Technical Assistance Program
- Spoke with the director of the Department of Oregon Geology and Mineral Industries about seismic monitoring and other activities under NEHRP
- Spoke with a geotechnical engineering professor at Cornell University about priorities for NEHRP
- Spoke with the director of the Southern California Earthquake Center about seismic monitoring and related activities
- Spoke with a professor from the University of Buffalo's Multidisciplinary Center for Earthquake Engineering Research about natural hazards R&D
- Spoke with a meteorologist for Nashville FOX affiliate about tornado forecasting and warning
- Spoke with a social science professor at the University of Illinois about social science research activities related to NEHRP
- Spoke with a social science professor from Texas A&M University about social science research activities related to NEHRP
- Spoke with a representative from the Federal Emergency Management Agency (FEMA) about FEMA's current activities with NEHRP
- Spoke with a representative from the National Research Council about the National Science Foundation's history of supporting social science research for NEHRP
