COMMITTEE ON STANDARDS OF OFFICIAL CONDUCT

June 2009

The Committee continued to fulfill its responsibilities to advise and educate Members and staff on the laws, rules and standards of official conduct. (An enumeration of those laws and rules is found in H. Rep. 110-938, *Summary of Activities, One Hundred Tenth Congress, A Report of the Committee on Standards of Official Conduct*, 110th Cong., 2d Sess. (Jan. 3, 2009)). As a general matter, the Committee's activities in receiving and responding to requests for advice from House Members and staff are conducted on a confidential basis.

In accordance with the Rules of the House of Representatives of the 111th Congress, the Committee continued to review and approve privately sponsored, officially connected travel. In addition, the Committee is required under the House rules to offer annual ethics training to each Member, Delegate, Resident Commissioner, officer, and employee of the House. Such training is mandatory for all House officers and employees, and new officers or employees must receive training not later than 60 days after beginning service to the House. The Committee continued to provide such training in June of 2009.

The Committee made revisions to the Committee Rules to conform with House rules pertaining to the Office of Congressional Ethics. The Committee also adopted a resolution establishing an investigative subcommittee to investigate officially-connected travel in 2007 and 2008 that was sponsored, funded, or organized by an organization known as Carib News or Carib New Foundation.

The Committee continued to fulfill its investigatory responsibilities.
